

## WIRELESS G INTERNET CAMERA

Remote Video Monitoring and Recording

Motion JPEG (MJPEG) for Higher Quality Recording and Monitoring

1.0 Lux Sensor Can Capture Video In Low-Light Conditions

The D-Link® Wireless G Internet Camera (DCS-920) connects to an Ethernet or wireless network to enable remote high-quality video recording. 802.11g wireless technology allows you to place the DCS-920 in places that were previously inaccessible such as ceiling and walls. Support for the WPA® and WPA2® standard ensures that you will be provided with the highest level of security when connecting to your wireless network.

### REMOTE VIEWING IN HIGH DETAIL

Access and control the DCS-920 using any Java-enabled browser, then instantly take snapshots or record directly from the Web browser to a local hard drive. The included D-ViewCam™ 2.0 software allows you to view and manage up to 32 camera feeds easily and hassle free. The DCS-920 records and streams MJPEG for detailed video monitoring and playback. Keep an eye out on your kids, pets, home, or office remotely by simply logging onto the DCS-920 using a Web browser from any computer with Internet access.

### EASY NETWORK SETUP

The DCS-920 adheres to the Universal Plug & Play (UPnP™) specification, which allows for automatic camera detection and addition to networks. Once recognized by your network, the DCS-920 can be accessed and viewed from "My Network Places" as a device on your network. You can then stream the feed from the DCS-920 to any compatible digital media player (such as those in the D-Link MediaLounge line of products) to view from the comfort of your living room.

With features such as MJPEG streaming and D-ViewCam™ 2.0 management, the Wireless G Internet Camera (DCS-920) is a cost-effective and versatile security solution for your home or small business.

### WHAT THIS PRODUCT DOES

The D-Link Wireless G Internet Camera (DCS-920) is a versatile solution that connects to your wired or 802.11g wireless network to provide remote monitoring over the Internet. Schedule recorded video or snapshots to be uploaded to an FTP server or sent via e-mail.

### YOUR NETWORK SETUP

### TECHNICAL SPECIFICATIONS

#### CAMERA SPECIFICATIONS

- + Sensor: VGA 1/4" CMOS
- + Lens: 4.57mm, F1.9
- + Minimum Illumination: 1.0 Lux @ F1.9
- + 3A Control: AGC, AWB, AES
- + Electronic Shutter: 1/60(1-50) ~ 1/15,000 Sec

#### VIDEO FORMATS SUPPORTED

- + MJPEG Compression
- + JPEG for Still Image

#### REMOTE MANAGEMENT

- + D-ViewCam™ 2.0 Allows for Remote Management and Control of up to 32 Internet Cameras
- + Web-based

#### RESOLUTION

- + Up to 15fps at 640x480
- + Up to 30fps at 320x240
- + Up to 10fps at 160x120

#### CONNECTIVITY

- + Wireless (802.11g)
- + Wired (10/100 Fast Ethernet)

#### NETWORKING PROTOCOLS

- + IPv4, ARP, TCP, UDP, ICMP
- + DHCP Client
- + NTP Client
- + DDNS Client
- + SMTP Client
- + FTP Client
- + HTTP Server
- + DNS Client
- + PPPoE
- + RTP
- + LLTD

#### STANDARDS

- + IEEE 802.11g
- + IEEE 802.11b
- + IEEE 802.3
- + IEEE 802.3u
- + IEEE 802.3x Flow Control

#### MINIMUM SYSTEM REQUIREMENTS

- + Wired (10/100 Fast Ethernet) or 802.11g Wireless Network
- + Computer with
  - 1.3GHz Processor
  - 128MB Memory
  - Windows Vista® and Windows® XP SP2
  - Internet Explorer® v6 and later

#### PACKAGE CONTENTS

- + Wireless G Internet Camera
- + Power Adapter
- + CAT5 Ethernet Cable
- + Quick Installation Guide
- + Camera Stand Bracket
- + Antenna
- + CD-ROM<sup>2</sup> with Product Documentation

#### SECURITY

- + Wireless: WPA®, WPA2®
- + Default Admin ID/Password Admin

#### LEDs

- + Link/Power
- + WPS

#### CERTIFICATIONS

- + FCC Class B
- + IC
- + CE

#### POWER

- + External Power Supply: 5V, 2.5A
- + Consumption: 4.5 Watts Max

#### OPERATING TEMPERATURE

32°F to 104°F (0°C to 40°C)

#### OPERATING HUMIDITY

20%-80% RH Non-condensing

#### DIMENSIONS (W x D x H)

- + Item: 2.8 x 4.3 x 1.5in
- + Packaging: 8.2 x 10.8 x 2.7in

#### WEIGHT

- + Item: 0.5 lbs
- + Packaging: 2.0 lbs

#### WARRANTY

1-Year Limited<sup>1</sup>

<sup>1</sup> 1-Year Limited Warranty available only in the USA and Canada.

<sup>2</sup> Latest software and documentation are available at <http://support.dlink.com>.

<sup>3</sup> Computer must adhere to Microsoft's minimum system requirements.
